During this portion of the meeting, you may make comments about agenda items. This is an opportunity for residents of the district to provide information that you would like the Board to consider regarding a decision. We ask you to limit your comments to 3 minutes. If you share a common topic with others, we encourage the use of a single spokesperson for the group. Out of respect for our staff, we request that your public comments focus on issues or policies and not people. As the intention of the audience of citizens is for the Board to listen to you, the Board will not respond immediately since we may not have discussed or taken a position on the topic...please do not take this as a sign of disinterest. We value your ideas, concerns, and thoughts and will carefully weigh your comments. To reach the Board by email: [schoolboard@dragon.k12.pa.us](mailto:schoolboard@dragon.k12.pa.us)
