OVERALL CONCLUSIONS

District Strengths

- Highest ever academic performance levels in Science as a district and exceptional results at the high school.
- Third highest SAT average for the district in the past 17 years.
- Highest ACT scores to date.

Areas Needing Improvement for Achievement Growth

- Our reading, math, and writing performance on the PSSA are solid, but we have not seen the growth needed this past year to meet our future goals. We must make better progress to meet the expectations of NCLB and The PA Common Core Standards.
- We need to continue to focus and refine our efforts to customize learning for each student.
