9/15/2022

Dear Parents,

The purpose of the Lewisburg Green Dragon All Sports Boosters Club is to aid the Lewisburg Area High School and Middle School Interscholastic athletic programs by providing funding, recognition, and organizational support. We want to provide our student athletes with the ability to succeed in the classroom and in athletics. We promote active and involved parent and community leadership, encourage sportsmanship, and provide financial support to all our student athletes, coaches, athletic trainers, and teams.

Over the years, our student athletes and teams have been widely successful due to your unwavering support. We have seen many of our teams in districts and state playoff games. We know that our student athletes are among the best in everything they do. We know they are certainly capable of achieving more with your support. Our Booster Club has supported our teams in various ways: through team recognition, strength and conditioning training, meals, concession stands, equipment and team gear, but most importantly letting our student athletes know their success as a student and as an athlete is first and foremost.

The money that we raise through concessions goes right back to all the athletes in our program. We are happy to have our concessions almost back to normal, but we lost a lot of revenue the past 2 years and are still trying to make this up. Concessions typically brings in about $10,000 per year.

We are asking for your help of a financial donation to the Lewisburg Green Dragon All Sports Boosters Club. With your help, we know that we can provide our athletes, our teams, our coaches and our school district with the support and acknowledgement they certainly deserve. You can mail a check or donate online (click link below or scan QR code on 2nd page).

Sincerely,

Lisa Boden
President
Lewisburg Green Dragon Booster Club

Please mail donations to Lewisburg Green Dragon Sports Boosters, PO Box 580, Lewisburg, PA 17837
